### Welcome to the Term 1 Week 2 Newsletter

7th February 2020

Welcome to the 2020 school year. I hope everyone had a wonderful break and a safe and happy Christmas period.

#### New Staff

We start the year with a number of new staff members.

**Jamie Warren**, is our classroom teacher for Room 14. Jamie has worked at a number of schools but mainly The Pines Primary School. Jamie will be teaching the 5/6 class for all of 2020.

**Jessica Parker**, is our Room 11 Class teacher. Jessica is a new graduate and is looking forward to working with our senior students.

**Cameron Bishop** will be taking Room 11 on a Wednesday afternoon for Term 1. This is to give our new graduates time to plan and meet with leadership.

Room 22 will be taught by Julieanne Teague and **Timothy Leggatt**. Many of you would have met Timothy last year who was a student teacher in Room 23.

P.E. will be taught by **Lisa Yancic (Mrs Y)**. Lisa comes with a wealth of experience managing large numbers of staff and students while in Port Lincoln. She also bring a focused knowledge of Physical Education from her working life and her own personal sporting endeavours. **Cameron Bishop** will also take PE on Wednesday mornings. This is to support Lisa with meeting and programing time.

I would like to send out a huge welcome to all our new and returning staff. This year will be a wonderful year with new and exciting events planned across the school.

#### Uniforms

It has been wonderful to see so many students arrive back to school wearing school uniform. The assembly last week had almost every child in uniform from reception to year 7.

If you need new school tops, please see Georgie in the office. She has a good selection of sizes all at almost cost price.

#### Attendance

The start of the year has seen very positive attendance numbers. Most classes have had 100% attendance for the last 2 weeks.

Please remember to let the class teachers know why your child is away, and if 3 or more day's absence occurs, please supply a medical certificate or talk with leadership about an exemption.

#### School Fees

Invoices for school fees have gone home. Please have these paid by the due date. These fees are kept by the school and support us to supply our young people with the technology and infrastructure they deserve.

If you believe you are eligible for school card, please talk with our front office staff. They will be more than happy to help you with any paperwork or documentation you require.

That is about all from me. I look forward to meeting any new parents over the coming weeks and reacquainting myself with return families. Have a wonderful 2020 school year.

*Matthew Delany*
