Welcome to the Term 2 Week 2 Newsletter

8th May 2020

Welcome to the second term of the school year. I hope everyone had a wonderful Easter and extended break even with all the restrictions in place. We have had a great first 2 weeks with our numbers increasing each day and Week 3 expecting most of our students back.

Home learning packs

Our teachers worked very hard in the student free days getting home learning packs ready for anyone that wanted to have their children learning off-site. We have received lots of wonderful feedback from some of our families this week about how the students are managing at home and how many of them are ready to return to school. If you have organised to receive packs for week 3, please see Jennifer after 8:00am on Monday morning.

Term Planner

As some of you may have seen on the website the Term 2 planner is looking a little empty.

We are not holding traditional assemblies and still have restrictions on any excursions and incursions we can have. We had our first assembly via Teams today which went really well. We hope to start planning for excursions and incursions as soon as the all clear is given by the government.

Canteen

The canteen is open with a change of menu. Due to the restrictions in place we have had to source other options. Please have a look on the website for the new menu. (or the paper copy that came home this week)

Qkr

Elizabeth East Primary School now has Qkr.

Qkr is an app that you can use to pay for school fees, order from the canteen and even pay for uniforms. The instructions for downloading the app and setting it up is on the front page of the schools website.

Please see Georgie or Jennifer if you need any help with the app or have any questions.

School Fees

School fees are due. Please see Georgie in the Front Office to make payment or to fill out a school card form.

That is all for now, have a lovely weekend.
