What's happening in the kitchen?

In our kitchen garden lessons we have been making all sorts including sherbet and damper. Incorporating many lessons including science and maths to measure the weight of ingredients and temperature needed hypothesise the outcome.

Sherbet

Ingredients

- 1 tsp citric acid
- 2 tbsp icing sugar
- 3 tbsp jelly crystals (any flavour you like)
- 1 tsp baking soda

Directions

Gather your ingredients
Measure into a small bowl
Mix them well
Enjoy

Damper

Ingredients

- 250g Self Raising Flour
- 1/2 tsp salt
- 175ml milk
- 25g unsalted chilled and cubed butter

Directions

Mix the flour with the salt in a large bowl. Add the butter and rub it into the flour with the tips of your fingers, until it resembles fine crumbs. Stir in the milk with a round blade knife (butter knife) to make a soft, but not sticky dough. Turn out onto a lightly floured work surface and shape into a soft, smooth ball. Set the ball of dough onto a tray or baking sheet and flatten gently to make a round about 17cm across. Cut a deep cross in the dough and brush lightly with milk. Bake at 190C for 30 minutes until golden. Serve warm or at room temperature.

TIP OF THE WEEK

Q. How can I keep track of my Qkr! payments?

A. Itemized Qkr! eReceipts provide a record of purchase and are a convenient way to keep track of your Qkr! payments.

To view your eReceipts:

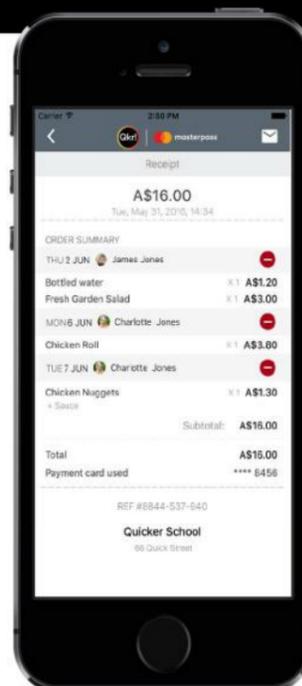

1. Open Qkr! and tap 'Activity'.
2. Scroll down to 'Order History' and tap 'Receipt' to view eReceipts.

Never lose a receipt: email receipts to your account:

1. Select the eReceipt you wish to email to yourself.
2. Tap on the mail icon at the top right of your screen.
3. Tap 'Send' to email the eReceipt to your email address, or enter another email address, and tap 'Send'.

Use an eReceipt to cancel a food order you have paid for:

1. Select the eReceipt for the order you wish to cancel.
2. Tap the red circle with a minus symbol on the order to be cancelled. Select the entire order or individual items to cancel and tap 'OK'.
3. Cancelled items are shown in red on your eReceipt confirming they have been cancelled and a credit is available for future food orders. The value of any credits will be automatically deducted from your next Qkr! food order.

In room 6 we have been making cloud dough.
This recipe is a super easy one you can try at home with ingredients you might already have.

Cloud dough

Ingredients

- 4 Cups of flour
- 1/2 Cup oil

Directions

Scoop and pour the flour into the centre of a tub

Create a crater in the middle of the flour

Pour the oil into the crater

Gently mix it all together

Play time!

COVID -19

Well it has been a very different start to the term with numbers of students slowly but surely moving back to pre-COVID-19 numbers. We have now surpassed our usual attendance numbers with the majority of our students now attending every day. Many of our students have stated that they are happy to have returned to see their friends and teachers which is wonderful to hear.

The current COVID-19 process for our school looks like this:

If your child is ill, please keep them home. Contact the school and let us know so we can alter the roll books to ensure they reflect "I" for illness.

If you have concerns about your child's health in relation to COVID-19, please get them tested.

Please let the school know that you are testing for COVID-19 and inform us of the outcome. Ensure that you have your child self-isolate during the testing stage, just in case. We have been asked about siblings - the question related to self-isolation for other children if one child is being tested.

Our view here is, it is up to the family to make the call. The departments stand is "If a child is not presenting with any symptoms, then they can attend school". Of course if other family members also have symptoms, please have them tested and self-isolate.

We are slowly getting back to a new normal. The canteen now has a full menu with some of your favourites back. We will start the breakfast club again on Tuesday, but students will not be able to help themselves. Our canteen staff will hand the students toast using utensils and while wearing gloves. Kitchen garden will be cooking again very shortly while continuing to maintain the strictest health regimes. Classrooms continue to supply hand sanitiser and are encouraging hand washing programs for students. External providers are now allowed on site to perform tasks such as music tuition, speech and OT support as well as mental health support through the Grow Wellbeing team. Physical distancing is still being followed by all staff with staff meetings and the like being held over the internet. Assemblies will be held via video link for the foreseeable future.

If you do not need to be in classes, please drop your child at the external doors or at the gate. This will avoid large numbers of adults inadvertently ending up in one space. Teachers are more than happy to talk with you outside the corridors if you need to discuss anything with them.

Doughnut day.

As many of you are aware, today is international doughnut day. A huge congratulations to Jennifer at the front desk, and all the students for the huge order of 300 doughnuts. It has raised the school canteen just over \$120.

Boom Gates.

The boom gates will be completed next week. This will ensure the safety of our students in the carpark area especially at the end of the day. I understand that this may cause an extra walk for some parents and students, but the safety of our students is paramount.

Seat

Some of you may have noticed a new seat that we have placed in front of the rose garden. This seat is to support our parents while waiting for their children, but also as a memory and reminder of Jan Bond who passed away in 2019.

That is all from me. Enjoy the long weekend.
