Welcome to the Term 3 Week 3 Newsletter

7th August 2020

We hope everyone had a lovely break. It's been a great start to the term with lots of red and blue uniforms out in the yard. Wonderful to see.

Excursions

The department guidelines have changed allowing excursions to start again. Room 22 have a zoo trip planned which we look forward to seeing the students enjoying a trip out for the day and hearing all about their adventure. We also will be having our Disco that was postponed. This will take place Friday 14th August. We hope to see lots of students attend.

Work on site

As you would have noticed there is a lot of work happening in the Primary and Junior Primary areas. It is a much needed upgrade to our plumbing and sewage pipes. The staff and site workers are all maintaining the upmost safety for our students while this work continues. Thankyou for your patience as we see these upgrades happen.

Kindy and year 7 transitions

Term 3 brings the time when the kindy children come over for some transition visits and meet with the teachers and students and the year 7 students visit the high school they will be attending. It is an new and exciting time for everyone signalling the big change for these two groups of students and what next year will bring.

More information will follow through the term.

School donation to Childhood cancer

The colour fun run organised by P.E. teacher Greg Frost raised a HUGE \$1386.00. This was donated to The Childhood Cancer fund. There is a Certificate of Appreciation up in the Front office. Well done again to everyone that participated, what a great day that was.

School Photos

School photo day is **Tuesday 1st September**. Photo order sheets coming home this week.

That's all for now.
