

ELIZABETH EAST PRIMARY SCHOOL

Newsletter - Term 2 Week 6

Government of South Australia
Department for Education

Hello all. Welcome to the week 6 newsletter.

Specialist Music

Congratulations to the students who were successful in winning a Special interest music scholarship at Playford International College. This scholarship will allow them to receive extra tuition at Playford International as a specialist music student. The successful applicants are:

Mehdi Mohammadi, Justen Yang, Dora-Leigh Evans, Dana Jones, L'Or Bisimwa and Izayah Pascoe.

This is a great result for those students. Congratulations.

Reports

Reports are being written over the next few weeks. They will be sent home with students on Thursday 1st July. More information about this will come home closer to the event. A-E data will be collected from all student reports. This information will be used by the school and state office.

Read Write Inc

Read Write Inc. testing is continuing. All students on the literacy program will be tested over the coming weeks. Look forward to your students results being communicated with you as they complete the testing.

Staffing Update

There have been a number of staff changes that we need to make you aware of. Felicia Moore will be taking some long service leave. This will start on Monday 7th June through to Friday 13th August. Her replacement will be Joanitha D'Souzas. Joanitha has been here many times and worked with room 19 on many occasions. Karen Healy is taking the opportunity to try a new vocation in adult learning. Karen will be away until 2022.

Many of you will be aware that Haydn Butler is retiring at the end of this term. Haydn has worked at the school for 15 years. He has taught students in all year levels and has been an absolute asset to the EEPS team. Haydn will be around the school a bit in 2022 in the capacity of a TRT. We would like to publicly thank him for all his hard work and wish him all the very best for the future.

2022 Reception Enrolments.

If you have a child that will be turning 5 on or before 30th April 2022, please see Courtney at the kindy or pop in to our front office for an enrolment pack. Transition visits will start in term 4.

Matt Delany
Principal

INFORMATION FROM THE PE TEACHER

Boys' Netball

On Friday the 28th May, Mr. Butler took a group of boys to play netball against other local schools. The boys had been training with Mr. Butler for a couple of weeks and were continuously showing awesome improvement. The only boy who had previously played netball was Mitchell and his input was very beneficial to not only the other boys, but also to Mr. Butler.

The boys played 7 games on the day and were undefeated all day. All the boys improved throughout the day and listened to the advice they were given. The most pleasing aspect though was their outstanding sportsmanship throughout the whole day.

Well done to the following boys for representing our school in such a positive manner; Izzy, Murtaza, Mitchell, Ali M, Mehdi F, Duc, Toby, Kai, Omar and Connor.

An extra thank you for Mr Butler for coaching and his daughter for umpiring.

Premier's be Active Challenge

It's been very pleasing to see the teachers starting to tick off children's names as they complete a week of the Premier's be Active Challenge. I'm also excited to have kids come up to me and let me know how many minutes of activity they have done for that day or week.

Remember to complete the challenge, all a child needs to do is to complete at least 60 minutes a day of physical activity for 5 days a week over 4 weeks. All physical activities count towards it, it does NOT need to be anything organised although that counts towards it too. If they walk to school, it counts. Playing during the breaks count. Even riding the bike or scooter will count. Even if your child has not started yet, they can still complete the challenge easily.

Greg Frost

P.E. Teacher

ROOM

22

In Design and Technology this term, students in Room 22 have built their own zoos.
