

Hello all. Welcome to the week 4 newsletter.

What a different start to the term we have had with the Covid lockdown and students learning from home for 4 days at the start of the term. Amazing times we live in.

Just a reminder that Monday 16th August is a pupil free day for Elizabeth East Primary School. This is a day that our teaching staff will be working on professional development training to improve the quality of teaching for your children.

We will also be having our school closure day on Tuesday 7th September. This day was originally planned for those that wished to attend the Royal Adelaide Show. Due to current circumstances the Royal Adelaide show has now been cancelled. At this stage, we will still go ahead with the school closure day. If the date changes we will let families know.

We will be having our School photos on Tuesday 17th August. Please bring back your envelopes on this day. You are able to pay by cash in the envelope, but it needs to be the correct amount as the photographers do not have change on the day. Or you can pay online with the code that is located on the front of the envelope.

Just a reminder that should you have 3 or more children and order a D pack or above for each, we offer a family discount of 10%. This code needs to be entered at checkout.

FAM8147

If you are visiting on site, please ensure that you sign in using the SA health QR code. This is located on most doors around the school and also in the front office. If your phone does not have access to this we also have a hard copy, which is located in the front office. It is also a requirement by SA health to be wearing a mask while inside any building, this includes our school. So if you enter the building by classroom, hallways or front office, you must be wearing a mask until we receive further advice from SA health.

Vice Captains	Dana Jones	Isabela Baltazar	Alisha Goldsmith
	L'or Bisimwa	Justen Yang	Jasmyn Laws

FROM THE WELLBEING COORDINATOR

During these unpredictable times, many children are experience emotions and experience's never felt before. At times we as adults find it difficult to work and discuss the events that are occurring and the feelings our children are feeling.

With a shortage and time line to see Psychologists, *Calm Kid Central program* is on line and ready to support families. The program allows families to ask unlimited questions of psychologists, as well as courses for children to do to assist with managing frustration, worry, feeling more co-operative and cope with other life challenges.

For families to join the program please go to www.calmkidcentral.com and click JOIN NOW - free for a year for those with a health care card using code FIRSTYEAR)

Yours in Learning

Philip Bloffwitch

Wellbeing Coordinator

OUT OF SCHOOL SPORT
